

Shower & Bath

Caleche

All the profits of the bath thanks to a versatile equipment

Side Door Seat Bathtub

REF. 4500.10 / 4500.20 / 4501.10 / 4501.20 / 4502.10 / 4502.20

The Caleche is a low dimension bathtub which has been designed to maximize autonomy, comfort and the safety. The height of access located on the side of the bathtub is only 16 cm from the ground. Coupled with the wide opening of the door, this allows a direct and easy access in wheelchair without having to raise legs.
