

Dressing table

Amber

Comfort, hygiene and safety for perfect patient and personal care.

Hydraulic height adjustable dressing table

REF. 7724.00

The 7724.00 dressing table enables persons with a poor sitting balance to be ergonomically dressed or undressed. The dressing table is attractive, user-friendly, easy-to-maintain, has an extensive height range. The dressing table is safe for both the patient and the user. By positioning this highly versatile dressing table to the correct height, transfers can be easily made from other aids such as beds, stretchers, shower seats and wheelchairs.
